

# Sandy Toes and Thank Yous

To the Old Dy'vorians, from all of Year 6

Because of you, we ran free in the sun,  
With sandy toes and hearts full of fun.

We climbed high rocks and curled indoors,  
Spotted jellyfish on golden shores.

We built dens, made fires, toasted treats,  
We whispered secrets under stars on the  
beach.

For some, a first time away from home,  
Together, yet growing on our own.

There was space to laugh, to play, to roam,  
Tennis, football, games of our own.

We found calm in nature, peace in trees,  
With wind in our hair and salt in the breeze.

You made this adventure possible - that's  
clear,  
A week of memories to remember year after  
year.

From Gower's cliffs to St. Madoc's view,  
We are so grateful — thank you for all that  
you do.
