

Dynevov Days

Y6 Leavers Trip Clyne Activity Centre

July 2025

Dynevov Days

We were lucky enough to be approached by the Old Dy'vorians, who asked if we would like a donation towards an outdoor project for our Y6 pupils. We were delighted to accept! After lots of deliberations, the pupils decided to cost and plan a trip to Clyne activity centre. Here they would spend a day completing problem solving, team-building activities, followed by the infamous muddy assault course!

Due to the generous donation made to the school, the cost of the trip was completely covered. We are extremely grateful for the opportunity - as you can see from the following pictures, we had a spectacular day!

Spending time
together

Dear our wonderful anonymous benefactor and the fantastic Dynevor Days organisation,

Thank you so much for the donation you made to our school, which we used for our outdoor leaver's trip. We never would have imagined such an amazing day – it would have cost us £70 per person to go, which would have been impossible. We've had such an amazing 8 years at Townhill School and this was the best way to end it. We cried at the end of the day; it was the best trip we've ever been on.

My favourite parts of the day were meeting the horses and of course the muddy assault course. We were absolutely covered in mud which was the funniest thing ever! It was really great to do it with friends and work together to get through the different obstacles.

Thank you so much again for helping us make the best ending to primary school!

Cienna Davies & Esme Hill,

Year 6, Townhill Community School

We can't say thank you enough for the generous donation received – all of our children and parents are so grateful!
